ATTENDANCE

In order to connect, care, and grow you must be present.

- ◆ Prioritize showing up for every group event so that you can get the most out of your Group
- ◆ On the first night of Group, communicate the importance of your members showing up and communicating when they will not be able to attend.
- ◆ For co-ed groups, it is required that when there are fewer than five participants per meeting event, there must be a minimum of two females and two males. If this guideline is not able to be met, then the event must be canceled. This guideline applies to both in-person and online group settings.
